

26 APR 1950

Mr. Leonidas C. Byer
Attorney and Counsellor at Law
The Chemical Building
St. Louis, Missouri

Dear Congressman Byer:

I was very pleased to receive your letter of 24 April
inquiring as to the possibility of [redacted]
making a connection with this Agency.

STAT

One of our field representatives who is now in the
vicinity of [redacted] will call on [redacted] during the
next few days and discuss with him his desire to get into
intelligence work. After this discussion we will see what
we have in the way of vacancies which might be suitable
for him when he completes his current graduate work and
will do our best to fit him into something appropriate
here if he determines finally that he wants to come with
us.

STAT

It was nice to hear from you, and I appreciate your
bringing this young man to my personal attention.

With kindest personal regards, as always,

Sincerely,

Signed - *dis min re*
